

Circle Selfies

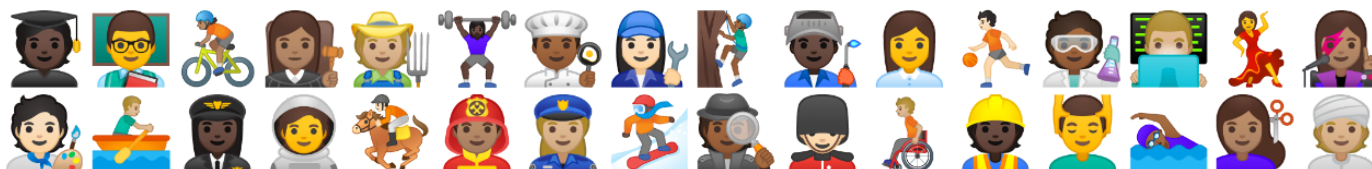

Collaborative Art Project **July 2020**

Dear **Year 6 Pupils** across Southampton -

The SCM Schools Team have a **CHALLENGE** for YOU!

We'd like each of you to create a **Circle Selfie**; a self-portrait in a circle shape, using whatever medium you'd prefer, such as colouring pencils, pastels, chalks, paints, etc. Your picture can be **as you see yourself now** **OR** **how you hope to be in the future!**

But.. why do we want you to do this?

Over the summer, we'll be putting together a special piece of digital art, full of all the self-portraits sent to us by pupils across the region, who are transitioning from Y6 to Y7 this year, and we want hundreds of you to get involved!

 southamptoncitymission.co.uk/circle-selfies 

All you need to do is download the template from our website by clicking the link above, complete your colourful self-portrait, then send it back to us digitally, either by [email](#), through [Facebook](#), or by posting to [Instagram](#) and tagging @scmschools.

So what are you waiting for? **Start creating your Circle Selfie**, get your friends to do the same, **and be part of something awesome!**

We look forward to seeing all your fantastic self-portraits, and how they get changed into a wonderful piece of artwork, which we plan to send a copy of to everyone who gets involved in the challenge.

Do let us know if you have any questions, or need further info on anything above!

Many thanks,
Matt & Ellie.
