Year 5 Trip to Stubbington

Dear Parents,

I am pleased to let you know the details for our Stubbington trip. Your child's class – 5AE will be attending on **Thursday 10th December** and the children will participate in three activities throughout the day. To enable this to happen, the time your child needs to arrive and be collected from school has altered. Your child will need to arrive in school by 08.30 and be collected at 16.00. Your child **must be collected by an adult**. They will not be able to travel home on their own as it will be getting dark by the time we arrive back.

Pupils will need to bring a packed lunch. If your child is entitled to free school meals, you can order a packed lunch from the school office before the day.

We will be outside for the duration of the day (whatever the weather) and the children will be participating in activities where they will get dirty. The children will not need to wear school uniform on this day, but should be dressed appropriately for the day - wearing clothes they do not mind getting wet or muddy. Trainers must be worn and a change of clothes including shoes will be needed. Please place this change of clothes in a carrier bag for your child. Please ensure all clothes are labelled clearly with your child's name. The children will also need to have their water bottles with them. They will be able to top these up during the day.

As they will be working in the conservation area, could you make sure your child has long trousers on please. This is as a protection against ticks.

Each child has the option to bring £3 to purchase a pre-prepared pack of Stubbington Study Centre souvenirs. Please note that **no change can be given** by the centre, so the exact money must be given to your child in an envelope with your child's name on. The school cannot be held responsible for any child losing their money.

We look forward to an enjoyable day with the children.

Yours sincerely,

Abi Saunders

Anne-Marie Errouam
