December 2020

Dear Parent/Carer,

Little Canada 2021

As you are aware there is currently much uncertainty around school visits particularly overnight residential stays. This of course includes our planned Year 6 residential trip to Little Canada in March. Currently, the government are advising against overnight residential educational visits however, will be reviewing the possibility of changing this guidance after the Easter break 2021. This would be after the time our booking in March is scheduled to take place. We have therefore made the decision to postpone the trip for a second time and have re-booked for the week commencing **14th June 2021**. We are hopeful that by this point in the year, we may be able to resume as normal.

Despite the new date being in the summer months, which would usually mean an increase in cost, the change comes at no additional cost to you. However, you are still obliged to pay for the trip in June, if you have already paid the deposit.

If you have not already secured a place for your child and would like them to attend, please contact your child's class teacher.

Thank you for your continued support in these uncertain times and being understanding about the many changes that have been made in regards to this trip. We believe the trip provides enormous benefits for the children and will thoroughly enjoy the week when it goes ahead.

Yours sincerely,

Zoe O'Shea
Year 6 Leader
