

Remote Learning Timetable

Please see below your lessons for today. It is up to you which order you do your lessons, however, there will be times where we will be meeting online, using Zoom. It is important that you check your emails for any Zoom links. If you are struggling, please do not worry, you will have the chance to chat with your class teacher at the catch up sessions. Move onto something else and you will always be able to go back to it.

Tuesday 12th January 2021	
Spelling and Handwriting (30 mins)	In this lesson, we will recap our learning from last lesson about the /ee/ sound and you will be tested on the words from last lesson. https://classroom.thenational.academy/lessons/to-practise-and-apply-knowledge-of-ee-sound-spelt-ie-or-ei-including-test-74rk2t
Music 6ZO – 9:30 6GS – 10:15 6MA – 11:00	Your music teacher will zoom with you this morning. The zoom link will be sent this morning so please check your emails. In the email, you will be told if you need to bring any equipment to your lesson. Please join the zoom promptly.
Reading (1 hour)	In today's lesson you will be continuing to learn how to make inferences about the characters in the book: Goodnight Mister Tom. https://classroom.thenational.academy/lessons/to-make-inferences-about-characters-in-the-book-part-2-6gt3gd If you have time today, watch the film! https://www.youtube.com/watch?v=7j8awfdvxaw
Maths (1 hour)	Complete the questions for converting units of length <ul style="list-style-type: none">• Pink - converting lengths mm/cm/m• Orange/Green – converting lengths mm/cm/m Challenge - https://classroom.thenational.academy/lessons/solving-problems-involving-converting-between-metric-units-of-length-cmwk6c
English (1 hour)	Re-watch the video from last lesson. https://www.literacyshed.com/the-blitz.html Remind yourself of your plan and ensure that your word bank is out in front of you then begin to write your setting description of The Blitz based on what you could hear and see. Challenge: Could you introduce a character into your setting?
Science (1 hour)	Work through the science lesson that can be downloaded from the website to recap your learning from last week about electricity and circuits. We will start to think about the impact of electricity on our daily lives and what life would be like without it. You will also complete a pre-assessment to show your knowledge and understanding of electricity at the moment. Make sure you keep this because we come back and mark it. You will need a pen or pencil and a piece of paper.
