

## Gladiator's Victory

### Chapter 4

#### Chapter 4-

1. Can you compare Titus and Lucius?

Finn describes Titus as a 'tall, strong and with something noble in his demeanour'. But Lucius is described a 'reptilian menace'.

2. Explain why Finn was certain that he could fix everyone's problems?

Finn was certain he could fix everyone's problems by the death of Lucius as it says in the text 'the fix for everyone's problems was for Lucius to be killed'.

3. Why does Titus describe Finn as being 'very brave, or very stupid, or both?'

Use evidence from the text to support your response.

Finn is described as being 'very brave, or very stupid, or both' as he explained to Titus what Lucius was planning to do to him with the poison. In addition, he could be seen to be unfaithful to Lucius and this is why he is being described as very stupid because Lucius has a lot of power. On the other hand, Finn is described as very brave as he is seen to be doing the right thing which is to prevent someone good from dying.
