

Day 2 - Reading Task

During Chapter 2, William sees and experiences lots of new things he has not before. Use Chapter 2 to find these experiences and how William reacts to them.

Draw out the table below to complete. One has been done for you.

[illegible]

ANSWERS

Experience	Reaction
William had not been up close to a dog.	William was nervous and held his hand out stiffly because he wasn't sure how Sammy was going to react.
Bedroom of his own	William was confused at first and surprised that he would have his own room.
Thatched cottages and green fields	He surprised that houses had rooves made of straw and stared out the fields in amazement.
A hedge-sparrow	Caught his attention in the trees as they were walking.
Cow being milked	He was amazed and stood for a long while watching. He had never seen a cow before.
Putting blackouts up	He was confused. He did not know what she was doing.
Toasting bread	He sat quietly toasting bread.
Eating cake	He ate it all up and was quite full after.
Being told a story	He enjoyed listening to Tom telling him a story and gazed at him listening carefully to every word.
Sleeping in a bed	He was confused. He did not know to get in the bed under the sheets, so began by lying under the bed.
