

Remote Learning Timetable

Please see below your lessons for today. It is up to you which order you do your lessons, however, there will be times where we will be meeting online, using Zoom. It is important that you check your emails for any zoom links. If you are struggling, please do not worry, you will have the chance to chat with your class teacher at the catch up sessions. Move onto something else and you will always be able to go back to it.

French 20 minutes	In today's French lesson, you will be learning about positions. Begin by watching the video about positions. https://www.youtube.com/watch?v=mOhf1pUcHII Then use the Power Point to help you learn how to describe positions in French. Once you have completed this there is a describing positions worksheet. If you have made any errors, can you see where you went wrong and correct your work using the answer sheet.
P.E. 9:15-10:15	Mr Woods will email you a link for your P.E. lesson. Please wear your school P.E. kit and make sure you have a clear space to work in.
Maths 1 hour	This lesson you will be revising what a fraction is. https://vimeo.com/498327271 When you have completed the lesson and the worksheet you can mark your work using the answer sheet. If you have made any errors, can you see where you went wrong and correct your work? <i>Challenge: Try any of the maths challenges set for today if you have completed your work and want to challenge yourself.</i>
Science 1 hour 30 minutes	Start today's learning with the quiz. How much can you remember from our previous session? https://classroom.thenational.academy/lessons/what-do-we-mean-by-amplitude-of-sound-c8tp8e Start watching the video for today's learning. Pause at 2:14 and add today's star words to your definitions page that you started last week. Remember to draw pictures and to write a short definition. <u>Task</u> Create a poster, showing all of your learning about sound. Can you include some of the Star Words you have learnt over our Science sessions? Remember to make it colourful and show off everything you now know about sound.
