

## **Remote Learning Timetable**

Please see below your lessons for today. Below is a suggested order, however, it is up to you which order you do your lessons. Although, there will be times where we will be meeting online, using Zoom. It is important that you check your emails for any zoom links. If you are struggling, please do not worry, you will have the chance to chat with your class teacher at the catch up sessions. Move onto something else and you will always be able to go back to it.

<b>Tuesday 26<sup>th</sup> January 2021</b>	
Class Teacher Catch Up 3WW 10:15am 3PW 9:30am 3SH 9:00am 3LV 9:30am	Please join your teacher for a catch up session. Today we will be having a fun class quiz. We will also be discussing your learning for today. If you have any questions, there will be time to ask your teachers.
Times Tables Challenge and Practice (30 mins)	You have some activities in the folder to help you learn your times tables. Remember to practice the times tables that you do not know. By the end of year 3, you should know your 2, 5, 10, 3, 4, 6, and 8 times tables.
Maths (1 hour)	<b><u>L.O. I am learning to multiply by 4.</u></b> We are now moving onto our 4 times table and learning to multiply by 4. Follow the powerpoint and then complete the main task. If you are finding this tricky, move onto the very mild task. There is a challenge at the end, if you feel like you want to push yourself! There is a video to watch if you need additional guidance <a href="https://vimeo.com/476320465">https://vimeo.com/476320465</a>
Reading (1 hour)	<b><u>L.O. To engage with a text</u></b> <b><u>Text: The King of the Sky</u></b> In this lesson, we will practise some vocabulary strategies and engage with the second half of the text. <a href="https://classroom.thenational.academy/lessons/to-engage-with-a-text-c5k64c">https://classroom.thenational.academy/lessons/to-engage-with-a-text-c5k64c</a>
Computing - Typing Skills (30 minutes)	<b><u>LO: I am learning how to type using the middle row of the keyboard</u></b> This week we would like you to spend a little bit of time improving your typing skills. The PowerPoint has a link to the BBC Bitesize game that shows you where to place your fingers on the keyboard and once you've practised you can then play a game to see how quickly you can find the letter. Today's challenge is to use the middle row of the keyboard.
Geography (1 hour)	<b><u>LO: I am learning about urban and rural land use</u></b> In Geography, you will be using the new vocabulary, urban and rural, to help describe different places. You will be investigating what type of place Southampton is and comparing it to Cornwall. After this you will apply this knowledge to create your own urban and rural environments. All of the information you need is on the PowerPoint.
