Match these scenarios to the correct guidance .

Lock it

Block it

Show it

Tell it

A friend has been playing an online game and someone he doesn't know asks to be his friend.

You told your friend your password and now they've used your account to send mean messages.

A friend has been talking to someone online. He tells him they're going to meet up tomorrow.

A friend notices a picture has been uploaded to a website that makes you feel uncomfortable.

A friend keeps lying to his mum about going onto a social networking site because he knows she doesn't like him doing it.

A friend is getting mean text messages from someone he doesn't know.

Digital Literacy

Use the animation to explain the meaning of Lock It, Block It, Show It, Tell it.

Take a picture of the image you've been given so you can use it when creating your animation.

mp
Motion Portrait

Block it

Play video for an example

Using scenarios help explain what each guidance means and why it matters

Digital Literacy

Write a short paragraph answering these questions.

What is cyber bullying?

How can people be bullied online?

Why do people behave   differently online?

Why might it be because the   person being bullied doesn't know them or can see them?

The challenge

As a school we would like to update "Lock it, Block it, Show it, Tell it" to remind everyone to be kind.

Your task will be to come up with a new ....it

Mr Howard and the Governors will decide on the best examples and these will be showcased on our website.

Your solution.

You need to come up with a guidance to stop people before they are unkind.

Success criteria

<u>Y</u>ou need to come up with

<u>Cr</u>eate an image

Give it a name

Explain what the new guidance and why it matters

Create a talking animation

Tinkering
Try things out

Use the recourses to come up with your ideas

LO: I am learning to explain how to act responsibly when using the internet.

Explain what your advice is in as much detail as you can.

Hint: You will use this to help you record your advice using animation software.

Digital Literacy

Explain your advice

L.O: I am learning to describe how to act responsibly when using the internet.

Digital Literacy

Draw your logo and give it a name

Create an image and name

Take a picture with an iPad

Tinkering
Try things out

Create a talking image to explain the importance of being kind

#bekind

Click image to load video

Open AnimateAnything on the iPad you took the picture with. Upload your picture from the photo reel.

Digital Literacy

One last thought....

In a world
where you can
be anything,
be kind.

bekind
