

Remote Learning Timetable

Please see below your lessons for today. It is up to you which order you do your lessons, however, there will be times where we will be meeting online, using Zoom. It is important that you check your emails for any zoom links. If you are struggling, please do not worry, you will have the chance to chat with your class teacher at the catch up sessions. Move onto something else and you will always be able to go back to it.

Thursday 4th February 2021	
Teacher/Class catch up 9.00 – 9.15	A link will be sent to your school email address for a Zoom meeting with your class teacher. This is an opportunity to discuss your learning for the week and ask any questions that you have about your home learning so far.
Spelling 20 minutes	Start today's activity by clicking the link below to help superhero Acrobat Annie tackle tricky spellings. https://www.bbc.co.uk/games/embed/small-town-superheroes?exitGameUrl=https%3A%2F%2Fbbc.co.uk%2Fbitesize%2Farticles%2Fzncqv7
Maths 1 hour	In today's lesson you will be learning your 5 times table. Click on the link below. https://vimeo.com/490421314 When you have completed the lesson and the worksheet you can mark your work using the answer sheet. If you have made any errors, can you see where you went wrong and correct your work?
Reading 40 minutes	Start today's lesson by clicking the link to re-watch this week's story by Oliver Jeffers. https://www.youtube.com/watch?v=cRAAQ8EWzig Then you have some comprehension questions to answer. Use the pictures by the questions to guide you to what page will help you to answer them. The answer sheet is available today.
English 1 hour	In today's lesson, you will be reading about a different witch: The Desert Witch! Whilst you are reading this information text you will be identifying the main features which will help you with your own writing. https://classroom.thenational.academy/lessons/to-identify-features-of-an-information-text-c5gkec <i>Challenge: What conjunctions have you spotted today?</i>
History 1 hour	Today you will be learning about Roman Numerals. These are what were used in the Roman number system. First click on the links below to count and learn a song that will introduce you to Roman numerals before you start the lesson. https://www.youtube.com/watch?v=wIhwsf2YbYk https://www.youtube.com/watch?v=z1UmAgekzbs Then follow the PowerPoint to learn to count to 12 in Roman Numerals and complete the task for today. <i>Challenge: Can you use what you have learnt to count any further than 12 in Roman Numerals?</i>
