Underline the mistakes that you find in this piece of writing. Then rewrite the words correctly underneath.

What two things would you recommend to this person so they don't make the same mistake again?

The gladiator was in the commonn area of the area getting some food for his lunch. He hadn't eaten anything since diner last night and his stomach was rumbling. All of a sudden, there was a loud crash outside in the arena. He grabbed a carot and decided to folow everyone outside. Once he was outside, there was a scuffle and a funnyy rabbit hopped out from the corner, scaring the men.
