ANOTHER FIERCE DRIVING ITALIANS OUT OF ALBANIA

Aim of Greeks with British Help

ANOTHER IMPORTANT POINT CAPTURED

Prisoners and Material Fall To the Victors

THE Greek Army continues to make headway. The official communique received to-day reports a substantial advance along the entire front.

The war has now been in progress a month, and the Italians have so far been driven back and defeated all along the line.

A new point of special importance which has been reached by the Grook troops in Premedi, a town 20 miles north-east of Argyrokustre. In this region 150 prisoners were taken and a quantity of material captured.

hells. Be referred to the necessity for moving good the disparity on the squapasset of the Etallans and the squapasset of the Etallans and the States and declared that the Ballan supplies must be stressed. Fraisited the hangeting three whiten the RAF are delivering at the bases behilds the Ealon face. See speaker said thus the Greeks are despit quadral for the help when Belleth is giring them.
