What was the job of his men?
Why did they capture Bess?

Bess:

Who was Bess?
Why was she captured?

Task

We are going to plan our letter using the box plan.

There are three boxes to help you extend each idea.

Letter Planning Frame

Dear King George,
I am writing to share my concerns regarding...

* Reason one:
-
-
-

* Reason two:
-
-
-

* Reason three:
-
-
-

I am hopeful that you will listen to my concerns and act appropriately.
Yours Sincerely,

For example:

Reason - Bess was tied up to the bedpost unnecessarily.

- She would have been petrified as she might have thought they would kill her, especially when they teased and taunted her.

- There were four of you men - Bess could not have escaped - so there was no need to tie her up in the way they did.
