

## **Remote Learning Timetable**

Please see below your lessons for today. It is up to you which order you do your lessons, however, there will be times where we will be meeting online, using Zoom. It is important that you check your emails for any Zoom links. If you are struggling, please do not worry, you will have the chance to chat with your class teacher at the catch up sessions. Move onto something else and you will always be able to go back to it.

<b>Tuesday 9<sup>th</sup> February 2021</b>	
Music <b>9:30 – 6ZO</b> <b>10:15 – 6GS</b> <b>11:00 – 6MA</b>	Your music teacher will zoom with you this morning. The zoom link will be sent this morning so please check your emails. In the email, you will be told if you need to bring any equipment to your lesson. Please join the zoom promptly.
Spelling & Handwriting 30 mins	Today you are going to continue with your revision of spelling rules that we have already learnt this year. You have two activities to complete. Fix the Mistake – Spot the mistake and fix it with the correct spelling Crossword – Use the clues to work out the missing words in the crossword (They all have double consonants!)
Reading 30 mins	In today's reading session, you are going to use your inference skills to write a diary entry in role as William. He has just found out the terrible news that his best friend has died. Write a diary entry for this day, which shows how he was feeling and what he was thinking. Use the checklist to help you.
Maths 1 hour	Today you will be continuing with your work on fractions, focusing on comparing and ordering fractions with the same numerator. Complete the True or False starter activity to see what you can remember. Watch the video <a href="https://vimeo.com/470094736">https://vimeo.com/470094736</a> as it will introduce the session and help with your work today. Complete the 'Comparing and ordering fractions with the same numerator' worksheet and don't forget to mark your work too! If you found any tricky, try again and hopefully you'll see how and where you went wrong. <b>Challenge: Complete at least 2 of the challenge cards but you can complete as many as you like of course!</b> <b>Pink Group:</b> Today you will be recapping what you already know about equivalent fractions, thinking about how the same amounts can be represented differently as a fraction. Watch the video <a href="https://vimeo.com/498327458">https://vimeo.com/498327458</a> and then complete questions 1 – 4 on the worksheet. The video will help you with this. Complete question 5 on the worksheet if you'd like an extra challenge!
Safer Internet Day  Safer Internet Day 2021   Tuesday 9 <sup>th</sup> February Together for a better internet 2 hours	Today you will be learning about how the internet and social media can have an impact on your mental health. You will need to watch the video lesson by Mr Viney and have the slideshow up on your screen too as when you are asked to watch a video you will use the links provided here. After the lesson, you will be creating your own Vlog about improving children's mental health online. We are really looking forward to seeing them!
