

## Week 6 - RE

# Write Your Own Ten Commandments

When Moses led the Hebrews out of Egypt to the Promised Land, God gave him the Ten Commandments. These were the commandments that God wanted the Hebrews to live their lives by every day.

You are going to create your own set of Ten Commandments.

You might want to think about the following:

- Think about how you should treat others?
- How should you behave towards other people?
- What should you be grateful for in life?
- What should you always try to do every day?
- What rules should people follow so that the world is a better place?

You might want to start each commandment one of these ways:

- Always/Never...
- You should/should not...
- Every day...

### Extension Activity

Can you write a set of Ten Commandments which are specifically to be followed in the playground? What might be different than the ones you have already written?
