

## **Remote Learning Timetable**

Please see below your lessons for today. It is up to you which order you do your lessons, however, there will be times where we will be meeting online, using Zoom. It is important that you check your emails for any Zoom links. If you are struggling, please do not worry, you will have the chance to chat with your class teacher at the catch-up sessions. Move onto something else and you will always be able to go back to it.

Maths (1 hour)	<b><u>LO: I am learning to add and subtract.</u></b> Today you will apply your learning of addition and subtraction and money to answer the worded problems on the worksheet, which can be found in today's folder on the website along with the answers to mark your work.  Remember to look for key words to help you for example: altogether and total show you need to add and difference or left over will show you need to subtract.
RE (1 hour)	<b><u>LO: I am learning about sacred places</u></b> Today you will complete your learning about sacred places. You will need to read through the 'Teacher Input' slides, saved in today's folder on the website, to recap your learning. You will also need paper and a pencil.  Your task is to tell us about your sacred or special place – you will need to draw a picture and then label all of the special features that are there.  Can you <b>challenge</b> yourselves to explain why it is sacred or special to you?
