## What they say / What they think

In Episode 3 some of the characters do not always say what they are actually thinking or feeling. Why might this be so? Fill in the speech and thought bubbles for each character, showing what they said during mother's visit and what they might have been thinking. One has been done for you.

**Says**

**Thinks**

**Mr Evans**

They eat like troopers, Mrs Willow!

I want their mother to think I'm looking after them well.

**Carrie**

*(Carrie didn't speak whilst her mother was there.)*

**Nick**

Mr Evans cheats when he counts saccharin tablets.

**Mother**

It's rather cold in your bedroom. But they seem very kind...in their way.

**Auntie Lou**

I do my best for them Mrs Willow. I do, really.
