You will find out more about Mary Anning throughout the week. **L.O. I am learning about the Stone Age to Iron Age period.**

Today, you will be learning about Stone Age Britain. You will discover that the period is so long that it's split into three parts and you'll find out what makes each part different. There is a video lesson to accompany the PDF and you'll be asked to watch some videos to support your learning. At the end, you'll create a mind-map of what you've learnt today. Good luck and we cannot wait to see what you've done.
