Weekly Update

Dear Parents and Carers,

I hope you all had a lovely weekend in the sunshine – it seems hard to believe it is October and people are starting to think about Christmas! Thank you for everyone who has brought in donations for the Harvest Festival to date – this is taking place tomorrow and it is not too late to donate.

Over the last few weeks, I have had the privilege of showing many visitors around our school. They have been blown away by our children and the quality of their work and learning behaviours. Well done to all of them.

Clubs Are Back

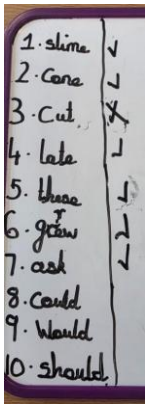

It has been fantastic to see after-school clubs back for the children. They are really enjoying the sessions and I was particularly impressed with the teamwork I saw from the children at the Years 3&4 football last week. There are still places available for Years 5 & 6 Gymnastics and Years 5 & 6 Multisports. If you are interested contact the school office. All our clubs are completely free of charge.

Mock SATs

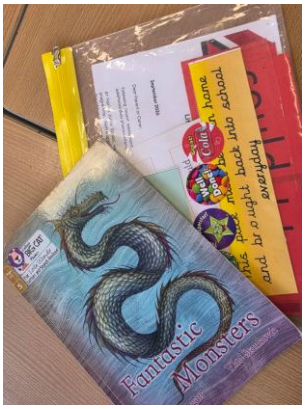

Well done to all the children in Year 6 who completed their first set of mock SATs last week. They were all superstars. They are used to help us support and prepare the children for May. SATs week is the week commencing 10th May 2027. All Year 6 children must be in school.

Interventions

Our interventions are now fully up and running. Interventions are used to help children by working in small groups on a foundational area of learning such as reading or place value in Maths. As always, the children excel in these sessions. I particularly enjoyed dropping in on a Year 4 phonics session last week where I saw some excellent spellings and reading.

In It To Win It

Today the children enjoyed a performance of 'Alice In Wonderland' from the visiting theatre group M&M Productions. There were heaps of laughs and the children loved the performance. Each half-term we will continue to offer a surprise event to our children as a special reward for being in school that day.

Wishing you all a great week.

Best Wishes,

Robin Hayes
