THE FROG

Mrs Twit fainted. Mr Twit got out of bed and fetched a jug of cold water. He poured the water over Mrs Twit's head to revive her. The frog crawled up from under the sheets to get near the water. It started jumping about on the pillow. Frogs love water. This one was having a good time.

When Mrs Twit came to, the frog had just jumped on to her face. This is not a nice thing to happen to anyone in bed at night.

She screamed again. 'By golly it is a Giant Skillywiggler!' Mr Twit said. 'It'll bite off your nose.' Mrs Twit leapt out of bed and flew downstairs and spent the night on the sofa. The frog went to sleep on her pillow.
