

Tuesday 9th March 2021

Reading 1 (1 hour)	Today you are going to be summarising the key events that have happened so far in episodes 1 to 4. This is an important skill to develop. Follow the lesson plan and work your way through the tasks depending on which reading group you are in.
Reading 2 (1 hour)	Listen to Carrie's War: Episode 5. The link is on the lessons saved on the school website. Work your way through this. Try to write a PEE answer to 'What is your first impression of Mrs Gotobed?' Ensure that you are using your inference skills to help you.
Maths (1 hour)	Today you will be comparing and ordering numbers. Complete the true or false warm up to get you started. Watch the video https://vimeo.com/453593456 to help you and complete the worksheet and mark your answers using the answer sheet provided. If you feel confident, complete the extension activity and if you fancy a challenge, try the challenge sheet too!
Computing (1 hour)	In computing today, you are learning about copyright laws and how this affects what we see on the internet. There are three tasks to complete throughout the lesson.
