

The image shows the French flag, known as the Marseillaise, waving against a clear blue sky. The flag consists of three vertical stripes of equal width: blue on the left, white in the center, and red on the right. The flag is attached to a silver flagpole on the left side. The word "FRENCH" is written in a large, black, serif font across the center of the flag.

Today you have a choice of two different activities to show off your learning about body parts by describing an alien. There are key words on the next slide to support you.

### CHOICE 1

You can colour in the aliens on the attached sheet and then describe them in two or three sentences.

### CHOICE 2

Draw your own alien and colour it in. Then describe what the alien has. You may also need to describe what it doesn't have.

E.g. Il n'a pas d'yeux. (It does not have any eyes).

My alien - Mon extraterrestre

has - il/elle a

antenna - l'antenne

is - il/elle est

horn - la corne

big - grand

small - petit

stripes - rayures

spots - taches
