

Remote Learning Timetable

| Friday 12th March 2021 | |
|----------------------------------|---|
| Maths (1 hour) | <p><u>L.O. I am learning to interpret the data shown in a table.</u></p> <p>We are now looking more closely at interpreting and answering mathematical questions on the data shown in a table. You are going to be using addition and subtraction during this lesson.</p> <p>https://vimeo.com/502338566</p> |
| Times Tables (20 minutes) | <p>It's great to see how well everyone is doing with their times tables. This is another opportunity to practice your multiplication using what you've learnt in the maths lessons about money last week! Choose a challenge that is suitable for you and don't forget to include the £ and p in your answers. There are five challenges to choose from.</p> |
| English (30 minutes) | <p><u>L.O. I am learning to understand the functions of apostrophes.</u></p> <p>Today you are revising how we use apostrophes. You learned this earlier in the year so you should be familiar with the ideas. An apostrophe can be used for possession or contractions. Follow the link for today's lesson:</p> <p>https://classroom.thenational.academy/lessons/to-understand-the-two-functions-of-apostrophes-68vk6t?activity=video&step=1</p> |
| Reading (45 minutes) | <p>Today you are going to be completing a comprehension on Stonehenge. There are three levels of ability so choose one you feel confident with. Before you answer the questions, highlight any words that you are not sure of and find their meanings. This will help you when answering your questions. It might be good to read with an adult at home.</p> |
| Art (1 hour) | <p><u>L.O. I am learning to use a range of techniques and materials.</u></p> <p>Today we are going to continue to look out cave paintings. We are going to focus on the colours that were used and how we can achieve these in our own pieces of art.</p> |
| Celebration Assembly @ 2pm | <p>Join the rest of the school for Mr Howard's assembly. There are lots of Headteachers Awards to be given out and the results of Times Table Rockstars to be announced. Mr Howard will send the link to you during the day.</p> |
