

Remote Learning Timetable

Wednesday 10th March 2021	
Maths (1 hour)	<p><u>L.O. I am learning to interpret pictograms.</u></p> <p>We are going to use what we learnt yesterday to help us interpret pictograms. Interpreting pictograms is understanding what information the pictograms are showing and what data is being represented.</p> <p>https://vimeo.com/501674074</p>
English (1 hour)	<p><u>L.O. To use imperative verbs</u></p> <p>In this lesson we will learn what an imperative verb is, practise using them and then identify them in sentences.</p> <p>https://classroom.thenational.academy/lessons/to-use-imperative-verbs-6tj32d</p>
Science (1 hour)	<p><u>L.O. I am learning about different types of soil</u></p> <p>Today you will be learning about soil. What is it and how is it made? Follow the powerpoint through. You will need a jar with a lid, some water and a sample of soil from your garden or local area. Put the soil and the water in the jar and shake for at least 5 minutes. Then leave your jar to rest for at least an hour (you may want to do this before the lesson). If you follow the PDF version of the powerpoint, these are the links you will need:</p> <p>1st video: https://www.bbc.co.uk/bitesize/topics/zjty4wx/articles/ztvbk2p</p> <p>2nd video: https://www.bbc.co.uk/bitesize/clips/z7rb4wx</p>
PE (1 hour)	<p>Please click on the link below and it will take you to the PE page on our website, in there you will see some videos of some lessons, which have been made by the Sports Coaches who work in our school. Pick a video and start your PE lesson. Remember it is so important not only for our physical but for our mental health to keep fit and active.</p> <p>https://www.fjslive.net/page/?title=PE&pid=825</p>
