

## **Remote Learning Timetable**

<b>Tuesday 16th March 2021</b>	
Spelling (30 minutes)	<p><b><u>LO: I am learning to use -al correctly.</u></b></p> <p>In today's session, you will be continuing your learning of -al. Use the table provided to practise your spellings using look, cover, write, check. Once you have completed the table, pick three of the words and add them to a sentence without looking at the table for the spellings.</p> <p>All the resources for today's session can be found on the school website.</p>
English (1 hour)	<p><b><u>LO: I am learning to identify the features of a text.</u></b></p> <p>In today's lesson, you will be learning about how Christians believe the world was created and the common features in all creation myths.</p> <p>All the resources are on the website for you.</p>
Maths (1 hour)	<p><b><u>L.O. I am learning to investigate a problem using my knowledge of coordinates.</u></b></p> <p>Today you will be revising your learning on coordinates from yesterday and applying it to an investigation.</p> <p>The resources that you will need are in today's folder on the school website.</p> <p>Click on the link below to watch the lesson and then complete the tasks: <a href="https://classroom.thenational.academy/lessons/to-investigate-a-problem-describing-position-on-a-2-d-grid-as-coordinates-6mv3cr?step=3&amp;activity=worksheet">https://classroom.thenational.academy/lessons/to-investigate-a-problem-describing-position-on-a-2-d-grid-as-coordinates-6mv3cr?step=3&amp;activity=worksheet</a></p> <p>Remember that the answers are given on the video so that you are able to mark your learning.</p>
Reading (45 minutes)	<p><b><u>LO: I am learning to understand the themes within a text.</u></b></p> <p>You will be continuing to look at the themes within 'The Invisible'. You need to read through the slides and complete the tasks as you go.</p> <p>For this session you will need the input slides, the text and the worksheet. All of these resources can be found in today's folder on the school website.</p>
Science (1 hour)	<p>Part 1: <b><u>L.O. I am learning about how a change in temperature affects solids, liquids and gases.</u></b></p> <p>In the first part of the lesson you will be exploring what happens to a substance when we increase or decrease temperature.</p>

	<p>Click on the link below to watch the first video and then complete task 1 which is in today's folder on the school website:  <a href="https://classroom.thenational.academy/lessons/what-happens-when-you-heat-or-cool-each-state-of-matter-68w3at">https://classroom.thenational.academy/lessons/what-happens-when-you-heat-or-cool-each-state-of-matter-68w3at</a></p> <p>Part 2:  <b><u>L.O. I am learning about changes in state.</u></b></p> <p>In the second part of the lesson, you will look at what we mean by changes in state and what these are.</p> <p>Click on the link below to watch the second video and then complete task 2 which is in today's folder on the school website:  <a href="https://classroom.thenational.academy/lessons/what-are-changes-of-state-and-why-do-they-take-place-cgt64r">https://classroom.thenational.academy/lessons/what-are-changes-of-state-and-why-do-they-take-place-cgt64r</a></p>
Additional Tasks	Times Table Rockstars – complete games towards the competition. Complete your 5 minutes reading and get your log signed.
