CREATION
MYTH

Use this sheet to collect ideas for your creation story, before planning it using the margin planner.

SETTING	GOD OR GODDESS

Draw pictures to show the steps taken to create the world.

Today, you are going to plan your own creation story.

To create your story, you need to think about some key points:

Who is going to be the creator of your world?
Look back to your ideas last lesson.

Why is the world needed?
Is it for giants, for man, etc.

What steps are taken before the world is created? How will it be left at the end?
