# What was Lordshill like in the past?

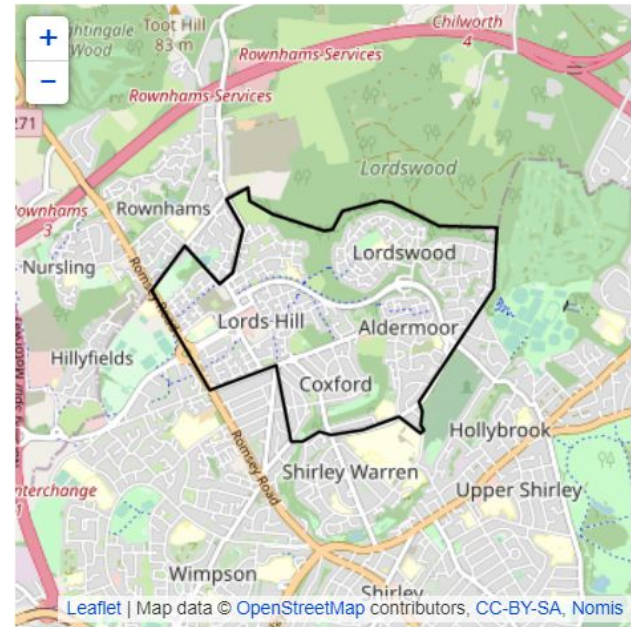

I WONDER IF ANY OF YOUR PARENTS  
CAN SHARE SOME OF THE CHANGES TO  
LORDSHILL.

# Population in Lordshill....

2001: 14232

2011: 14064

Do you think there are more people living in Lordshill now?  
Explain your answer!

# What has been added recently...why do you think these changes have happened?.

**We have over 100 new homes being built near our school. What changes have already happened and what else might have to change?**

# How would you improve the local community?

Because the population is ever growing, how would you improve the Lordshill area?  
What would you like to see being added to your community?

Your task is to design something to be added to the community. For example,

- New playground
- Youth club
- A bigger and better library

The choice is yours. When you have drawn your new addition to the community, explain why you have chosen your design. Remember to label your design with what you have added.
