

Tuesday 23rd March 2021

Maths (1 hour)	Today you are going to be continuing to develop your knowledge of decimals. You will be converting decimals into fractions. Watch the video https://vimeo.com/490693175 then complete the worksheet on the website.
Reading (1 hour)	Today you will be making inferences from the text from direct quotes taken from the book. Challenge: Try to use PEE in your answers if you can!
English (1 hour)	Today you will apply your learning from last lesson, using a range of punctuation in your writing. You will write sentences from the perspective of one of the characters from the film 'Beyond the Lines' and try to include a range of punctuation in your sentences.
History (1 hour)	Today you are going to be learning about local war hero James Nicholson. You will be creating something commemorative to honour him. Work your way through the lesson on the website for you.
