Note taking top tips!

- you don't need full sentences
- only include keywords
- you understand your own notes

Model example:

lined up with sunset

lined up with sunrise

Predict what these words mean:

associated

slaughter

Start to read the text.

Underline the important parts of this sentence

Such events were associated with the gods and also with practical things too, such as when to plant, harvest and slaughter. The first rays of light shinging through the stones must have been a breathtaking sight back then, and it can still be seen today!
