

Remote Learning Timetable

Wednesday 24th March 2021	
Times Tables 15 minutes	Complete the Times Table Rockstars challenge and record your score. Did you beat your previous score?
Maths 1hr	<u>L.O. I am learning to find a third.</u> A third is one of three equal parts of something . Today we are looking at finding a third of different amounts. https://vimeo.com/515216707
English 1hr	<u>L.O: I am learning to edit my writing and publish my work.</u> We are continuing to write our fact files on the Stone Age. We are going to be editing the sentences we have already written and looking at how we can publish our work in an attractive way.
Computing 1hour 30minutes	<u>LO: I am learning about what is meant by the term identity and explain how I can represent myself online in different ways.</u> In today's e-safety lesson you will be learning how people represent themselves online and what information you shouldn't share to keep yourself safe online.
