

## Remote Learning Timetable

<b>Tuesday 30<sup>th</sup> March 2021</b>	
Times Tables 15 minutes	Today you will be practising your 3 times table, and related division facts. This will help you with your maths learning this week. Complete your grid and then mark your answers.
Maths 1hr	<b><u>L.O. I am learning to make a whole</u></b> In today's lesson you will be learning how parts make a whole. Watch the video the video and complete the tasks/ <a href="https://vimeo.com/521485071">https://vimeo.com/521485071</a>
Spelling 30 minutes	<b><u>L.O. I am learning to spell words from the Year 3 word list.</u></b> Today we are practicing the word guide and then we are going to be moving onto the word fruit. You are having a game to play and will need a dice and some colouring pencils. If you land a particular number, you will need to write that number in the selected colour.
English 1hr	<b><u>L.O. I am learning to use the features of a diary in a Stone Age recount.</u></b>  Today, we are going to be using the ideas we generated yesterday to write a diary recount. We are going to be writing about what life was like during the Stone Age from the point of view of a Stone Age boy or girl.
RE 1hour 15minutes	<b><u>L.O. I am learning to begin describing how the concept of 'good and evil' relates to my life and affects the lives of Hindus.</u></b> In today's lesson you will be thinking about how good and evil links to Hinduism and Christianity. You will find out about Holi, the Hindu festival of colour. When you have finished, there is a challenge to complete if you want to.
