

Day 9

Spelling (1 hour)	<p>In this lesson, you will be tested on the curriculum words that you have learnt. You will need a pen, colouring pencils and some paper. Open the link from 7.14, watch the video and take the test. Take some time to practise these spellings using a selection of spelling strategies that you know e.g. pyramid words, red vowels, drawing around the word, speed-writing, crazy font, look-say-cover-write-check etc. As well as using a variety of spelling strategies, write a sentence for each spelling. e.g. desperate – I was so desperate to open my Easter egg! If you are unsure what the word means, use a dictionary or look online for the meaning of the word and examples of sentences, if needed. Once you have been tested, check your words and mark them. If you did make any errors, copy the spellings and practise writing them correctly.</p> <p>https://classroom.thenational.academy/lessons/to-practise-and-apply-knowledge-of-curriculum-words-including-test-65k6ar</p>
