

L.O. I can begin to explain how Stewardship is important in religion and how this might affect someone's life.

*Watch this video about
what Muslims believe
about creation and
stewardship of the
planet we live on.*

<https://www.truetube.co.uk/film/charlie-and-blue-ask-about-allah-and-creation>

The background of the slide features a pair of hands holding a small globe of the Earth. The hands are positioned at the top and bottom of the frame, with the fingers gently cradling the globe. The globe shows the blue oceans and green landmasses of the Earth. A large, semi-transparent white rectangular box with a thin black border is centered over the image, containing the text.

*Do you know any other
creation stories or beliefs
about how the world was
made?*

What do you believe?

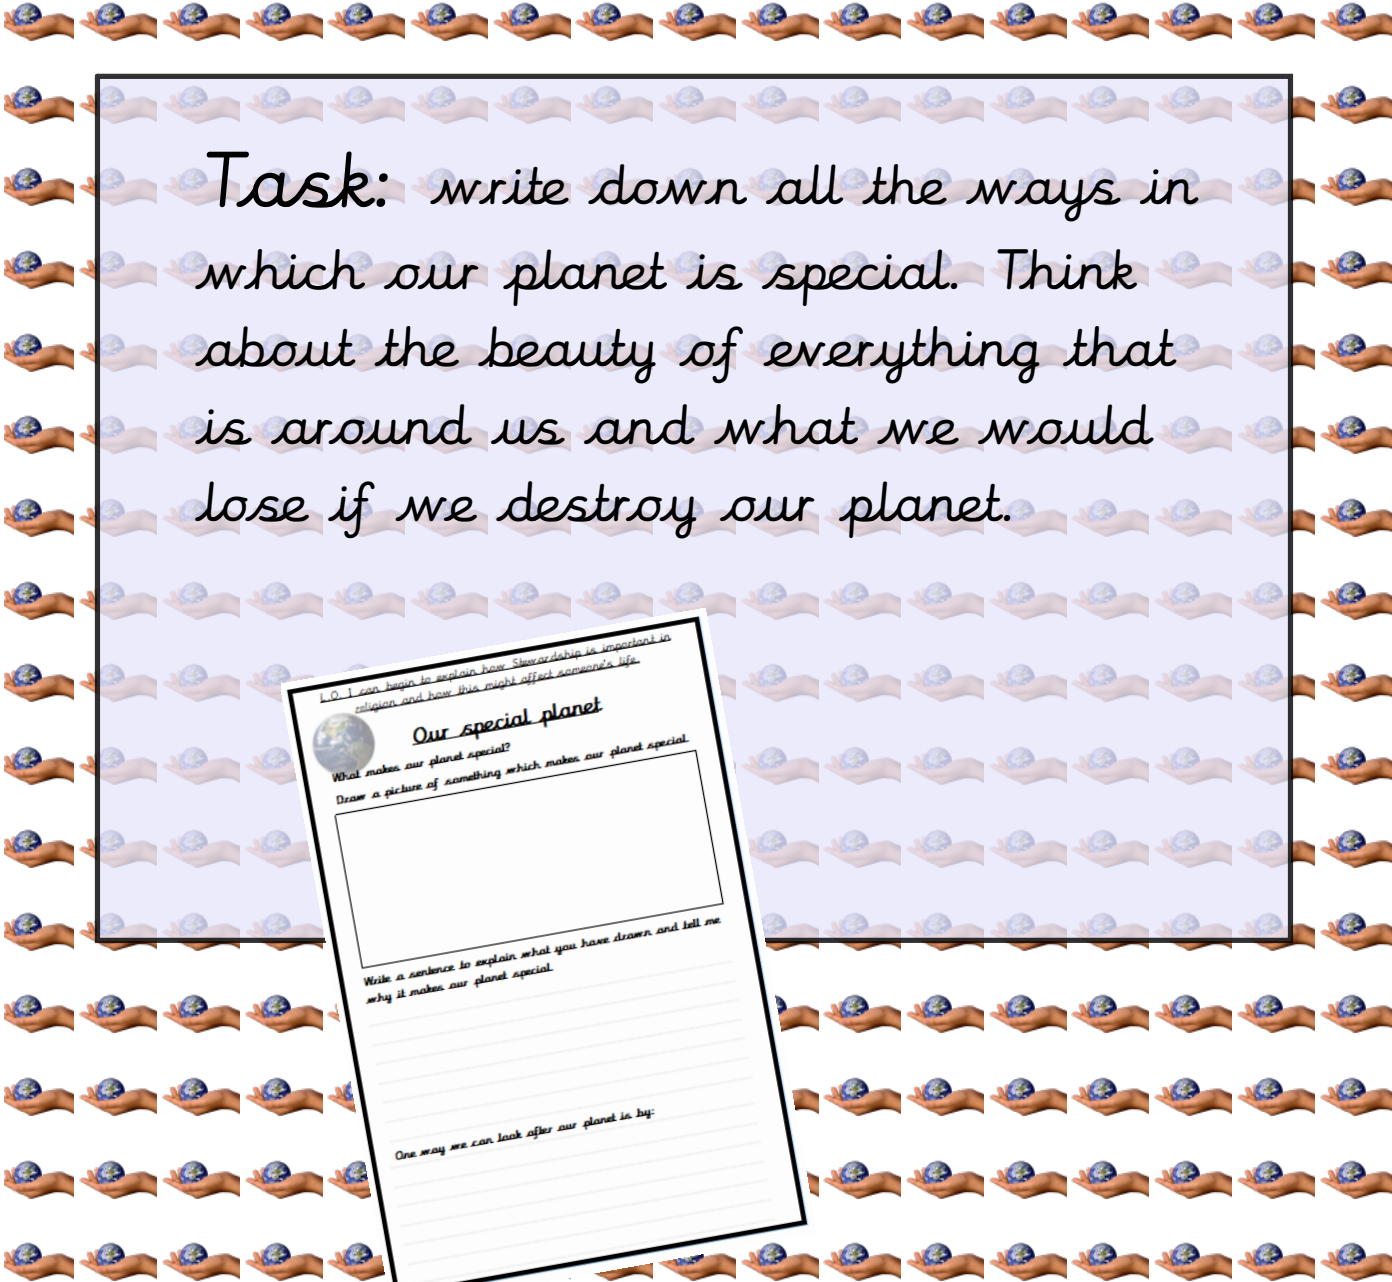

What have humans done
to our planet?

What does preserve and
protect mean?

Preserve To keep something in it's original
state.

Protect To keep safe from harm

Task: write down all the ways in which our planet is special. Think about the beauty of everything that is around us and what we would lose if we destroy our planet.

L.O. I can begin to explain how Stewardship is important in religion and how this might affect someone's life.

Our special planet

What makes our planet special?

Draw a picture of something which makes our planet special.

Write a sentence to explain what you have drawn and tell me why it makes our planet special.

One way we can look after our planet is by:

British Values

What are the
five British
Values?

British Values

Which of these relate to the work we have done today on stewardship and how it relates to our lives?
