

## Reading - Answers

1. What is a barricade?

A barricade is a barrier used to block something or someone.

2. What is the barricade in the song?

The barricade is how she is letting people's words get to her. She needs to break down the barrier in order for her to be proud of herself.

3. Why are they reaching for the sun?

She has been hiding in the dark for such a long time, and has been afraid to show people who she really is. By reaching for the sun, she is now confident to show everyone who she truly is. She is finally embracing who she really is.

4. What is the main message of the song?

The main message of the song is to embrace who you really are and to be proud of your differences. Everyone is individual and unique and that is what makes every one of us so special.

5. What is your favourite lyric and why?
