TO PARENTS OF YEAR 6 PUPILS – ISLE OF WIGHT RESIDENTIAL 14TH – 18TH JUNE 2021

Dear Parents and Families

Since we returned to school at the beginning of last week, we have been in almost daily contact with PGL and the centre at Little Canada. They are looking forward to our visit to the centre from Monday 14th June. We have also spoken with Hampshire Outdoors, who oversee visits to PGL centres, as well as the Head of Education for the city of Southampton.

We are all of the same opinion about the trip. We hope that the government's Covid roadmap continues as it should, and if that is the case, then the visit will take place as planned.

We have booked the ferry as well as the coach to take us from Cowes to the centre in anticipation of the residential taking place. PGL have assured us that the centre is Covid secure, that their staff (as well as our accompanying staff) are testing twice weekly every week, mealtimes are staggered and they have adopted rigorous cleaning routines.

All that we need is for the Prime Minister to announce that the roadmap is continuing as planned and we will be packing our cases! If by any chance this does not happen then we will, of course, refund parents as soon as practicable.

We hope that clarifies the situation as far as it is possible to do so at the moment. Obviously, if we get any news we will contact again.

Very best wishes
