

## Tuesday 13<sup>th</sup> July

English (1 hour)	Today you will be planning your narrative, using Stormbreaker as a model for your own writing. You will develop your own spy character and consider the changes you will make to the storyline to create your own spy narrative. Make sure you keep everything from today safe because you will need it next lesson.
Maths (1 hour)	Today you will be revising converting measurement – money as well as practising your problem solving skills. Complete the Flashback Four starter task to practise your 4 operations and then complete the maths investigation task.
Reading (1 hour)	In this lesson you are going to be continuing 'Stormbreaker'. Recap the chapter 'Behind the door' by answering the reading comprehension questions. Then read chapters 13 'The School Bully' and 14 'Deep Water'.
Science (1 hour)	<p>In this lesson, we will look at how humans have changed over time and use the theory of evolution to explain these changes. Learning how to make and use tools, shelter, fire and language has enabled humans to spread all over the world. We will start to look at the impact that humans have had on some species of plants and animals. You will need a piece of paper and a pencil for this lesson.</p> <p><a href="https://classroom.thenational.academy/lessons/what-impact-have-humans-had-on-plants-and-animals-65k38c">https://classroom.thenational.academy/lessons/what-impact-have-humans-had-on-plants-and-animals-65k38c</a></p> <p>If you have any extra time or would like to learn more about evolution, please have a go at this lesson too.</p> <p><a href="https://classroom.thenational.academy/lessons/what-impact-are-humans-likely-to-have-on-life-in-the-future-cnj64t">https://classroom.thenational.academy/lessons/what-impact-are-humans-likely-to-have-on-life-in-the-future-cnj64t</a></p> <p>In this lesson, we will learn about some of the impacts that humans have on life on this planet. We will look at pollution, global warming, hunting and deforestation.</p>
