	<u>nbAQ8e7</u>
DT (1 hour)	<p><u>L.O. I am learning to understand seasonality</u></p> <p>In this lesson, we will introduce you to the topic we will be exploring during this unit of work: celebrating culture and seasonality. We will explore a range of cultures and the foods that we eat. We will also explore our own cultural differences and carry out an investigation to find the needs and wants of a selected individual or group of individuals.</p> <p>Click on the link below to start your learning and complete the worksheet when prompted.</p> <p><u>https://classroom.thenational.academy/https://classroom.thenational.academy/lessons/introduction-celebrating-culture-and-seasonality-ccrp4t</u></p>
Additional Learning Challenges	<p>Please continue to read daily and record this in your planners. Remember to record the book title, pages read and adult signature.</p> <p>Play Times Tables Rock Stars and Numbots to help develop your rapid recall of number facts.</p> <p>Practise your spellings for the week by playing on Spelling Shed.</p> <p>Don't forget the optional World War Two project too!</p> <div style="border: 1px solid black; padding: 10px; margin-top: 10px;"> <p style="text-align: center;"><u>Home Learning Project</u></p> <p>Our topic this term is about the Maya civilisation. For your home learning project, choose from one of the following:</p> <ul style="list-style-type: none"> ● Make your own model pyramid (have a look at examples from different Maya sites and choose one to copy). ● Recreate a model of the Maya calendar, using whatever materials you have. ● Look up some of the Maya hieroglyphs and write a sentence using them. <p>You can present your work in any way you like. It could be:</p> <ul style="list-style-type: none"> ● a presentation ● annotated drawings ● a prototype of model ● sketches of all your ideas ● A booklet  </div>
