PSHE
(1 hour)

LO: I am learning about living a balanced lifestyle.

In this lesson, our learning objective is to learn about what makes a balanced lifestyle. Within this lesson, we will compare and contrast two very different lifestyles. Our two main characters will take part in a race which they have prepared for very differently. Who will win? This will help you to understand that there are different components which make up a balanced lifestyle and from this, you will then create a prompt to stick somewhere in the house.

Additional Learning Challenges

Please continue to read daily and record this in your planners. Remember to record the book title, pages read and adult signature.

Play Times Tables Rock Stars and Numbots to help develop your rapid recall of number facts.

Practise your spellings for the week by playing on Spelling Shed.

Don't forget the optional Maya project too!

Home Learning Project

Our topic this term is about the Maya civilisation. For your home learning project, choose from one of the following:

- Make your own model pyramid (have a look at examples from different Maya sites and choose one to copy).
- Recreate a model of the Maya calendar, using whatever materials you have.
- Look up some of the Maya hieroglyphs and write a sentence using them.

You can present your work in any way you like. It could be:

- a presentation
- annotated drawings
- a prototype of model
- sketches of all your ideas
- A booklet
