VACANCIES FOR TWO PARENT GOVERNORS AT FAIRISLE JUNIOR SCHOOL

Dear Parents,

I have been asked by the Governing Body to make parents aware of the fact that we have two vacancies for parent governors to join the board. This is because our parent governors' children left us last term to move to secondary education and this has coincided with the end of their terms of office.

The role of governors is far reaching; they meet half termly to discuss business, take part in training sessions, and act as critical friends and ambassadors for our school. In short, they are a vital part of our school and provide an immensely important link between us and our wider community.

Being elected as a parent governor is open to all parents of pupils at the school. Being a governor is a very rewarding service to the local community. If you would like to chat to a governor about the role before deciding to stand, please give me a call and I will put you in touch with one of our team.

If you would like to stand as a parent governor, please would you contact Mrs Donnachie on businessmanager@fjsslive.net and she will send you a nomination form to complete to include your election statement as soon as possible. Election statements must be completed by midday on Monday 29th January 2024. If there are more than two nominations, a full election will be held and I will send each parent a voting paper, which will include the candidates' election statements.

Thank you very much for your support.

Yours sincerely,

Peter Howard
