Year 4 Discover the Music Instrument Choices

Dear Parents/Carers,

As part of our music curriculum provided by 'Discover the Music', all Year 4 children have the opportunity to learn a musical instrument free of charge for the academic year.

With this in mind, we would like you, with your child, to indicate your preferences for the musical instruments they would like to learn this year. We have sent all Year 3 parents a Google Form. Please use the google form link [HERE](#) to tick **three** instruments that your child would be interested in learning. There are approximately 15 places per instrument so we will try our best to ensure that each child gets a place into one of the instrument groups that you have selected.

What instruments are available?

The instrument that each child begins learning in September will be the instrument that they must continue to learn throughout the whole year. There will be no opportunity to change instrument throughout the year once the instruments have been allocated.

Please complete the Google Form as soon as possible as musical instrument allocation will be taking place on Thursday 18th July.

Kind regards,

Millie Tanner
