3EM Geography Trip – Wednesday 24th September 2025

Dear Parents and Carers,

This half term, the children will be learning all about life in villages, towns and cities. To support the children with their learning, 3EM will be taking a trip around Southampton City Centre, where they will visit the Itchen Bridge, Ocean Village and they will then make their way to Beaulieu. During the trip, the children will have the opportunity to hop off the mini bus and look more closely at the features of urban and rural areas. This is a great learning opportunity; it will allow the children to develop their understanding of the differences between cities and villages that they live near.

Children will need to arrive at school as normal, wearing their school uniform. The minibus will leave in the morning and the children will be back to school by lunchtime, they will have their lunch as normal at school. As we will be getting off the minibus, please ensure that children have suitable clothing for the weather forecast.

If you have any questions, please do not hesitate to get in touch.

Many thanks,

Emily Cooper
Year 3 Lead
