

# World Book Day

‘Go All In’ with your love of reading...

To celebrate World Book Day on Thursday 5th March, we’re joining the National Year of Reading theme ‘Go All In’.

Please bring in ONE non-fiction book that is about a hobby or interest that you are passionate about (i.e. rugby, gardening, Vikings). Don’t worry if you don’t have the book you want at home, we will sort out Library sessions for those who need to find one!

During your Reading session, you will take part in short book-talks to share facts and recommendations with your classmates.

Here are some questions to help you think of a suitable book choice...

- What is the book called and who wrote it?
- What is one amazing fact or idea from the book?
- Why is this topic your favourite?
- Who else might enjoy this book and why?

Thursday 5<sup>th</sup> March 2026
