Year 4 Fish and Chip Supper

Dear Parents/Carers,

We are really excited to let you know about our upcoming Year 4 Fish and Chip Supper. The event will take place on **Tuesday 19th May**. This will be a great opportunity for all the children across the year group to spend some fun down time with each other outside of their day to day school routines. The children will enjoy a fish and chip supper and they will have a chance to play games and use the outdoor play equipment, assuming the weather permits!

The fun will begin at the end of the school day so your child will not need to be collected until the evening ends at **5:30pm** on the day. Please collect your child from the playground and ensure that we are aware of who will be collecting your child by indicating so on the Google form. As the children will not be returning home at the end of the school day, they are welcome to bring a change of clothes to school with them in the morning, if they would like. This should be in a separate bag marked with your child's name and class.

If you would like your child to stay at school for the evening of the 19th May and participate in what is certain to be a fun-filled evening, then please complete the Google form attached. **Please return your meal choice and state who will be collecting your child by Tuesday 12th May.**

We are really looking forward to this evening and hope it will be a brilliant way to celebrate the children's successes so far this year.

Kind regards,

Charlotte Thornton
