

'MusicFest' 2026 - Performance Details

Dear Parents and Carers,

We are really excited to remind you that on **Thursday 11th June 2026**, we are hosting **MusicFest 2026** at our school in partnership with our music teaching colleagues from Discover the Music.

This year's theme is '**Let's go to the Top of the World**' and we can't wait to share all new music and performances from each year group with you.

MusicFest will bring together the wider school community to celebrate the vibrant musical culture across our school. We will prepare all of our pupils for a big outdoor 'festival' style performance for families to come and enjoy in the afternoon (details below). All of the children will present highlights of their learning in class music lessons from across this school year and the best bit is that pupils will be accompanied by a live band of musicians.

At the end of a day of rehearsals with our music teacher colleagues, we are inviting you to attend to watch and enjoy a brilliant programme of musical learning presented by all of the children and here are the key details:

Show Time:

MusicFest performance will take place from **2.00-2.45pm** in the school grounds. **After the performance, the children will pack away their musical instruments, return to class and prepare to leave school at the normal time.**

Arrival Time & Entrance:

Audience members will be able to arrive and find a spot to enjoy the show from **1.45pm** via the **main gates**.

Safeguarding & Media:

You are welcome to take of photographs or video footage of your child only. However, to safeguard all the children taking part, please do not upload photos or videos onto social media.

Registering for Tickets / Attendance:

No tickets are needed, just turn up on the day. Please note that this is a **standing-only event** to allow us to accommodate as many families as possible. We want to ensure that the event is accessible to everyone so chairs will be available upon request for those with a medical need. Please speak to a member of staff on arrival and they will assist you.

What Happens if it Rains?

If the performance is unable to take place due to weather, we will notify you by text and email.

We really hope you will enjoy the performance and an opportunity to bring everyone together to celebrate the power of music!

Yours sincerely,

Mr. Hayes,
Headteacher
