Weekly Update

Dear Parents and Carers,

It has been lovely to see our children go on their first school trip of the year. We are especially proud of the number of trips we go on as a school and how they enrich our curriculum. Last week, following Miss Martin's assembly, the children created recycling posters to promote recycling around the school. Serah from Year 4 did a fantastic job – take a look at the bottom of this letter.

Year 5 at Winchester Science Centre

The children had a fantastic time this Wednesday. They had the opportunity to tour the solar system in the planetarium. They visited all the interactive exhibits learning about forces and space. They also participated in a 'Blast Off' workshop building and sending their rockets flying down the runway. The children were fantastic ambassadors for our school.

Children Out and About

The school has dealt with some issues this week around children's behaviour in the park near to the school. This is not the first time that we have had to do this. We would always suggest that children using the park are supervised and that if children do walk home alone, they go straight home for safety reasons.

Well Done Warwick!

Well done to Warwick in Year 5, who was kind enough to spend some of his time at the weekend picking up litter outside the school.

Eastleigh FC – Free Girls Football

Take a look at the bottom of this letter for information!

Half-Term Activities

Also at the bottom of this letter are details of a half-term course being held at Mansel Park Primary School, delivered by Superstar Sports.

SeaCity Museum, Tudor House and Garden and Southampton City Art Gallery are offering Halloween-themed creative activities and hands-on experiences. [Click here for more information and to book.](#)

Key Dates
