Year 4 DT – Bread Making

Dear Parents and Carers,

This half term, the children are learning about seasonality in DT. As a final outcome, they will be building on the skills they learned in Year 3 and will be making bread. The ingredients used will include:

- Strong white flour
- Yeast
- Salt
- Olive oil
- Onion
- Beetroot
- Garlic
- Rosemary
- Cheese

They will wash their hands thoroughly before and after handling the food. All hair will be tied back and surfaces will be cleaned thoroughly prior to making.

The children will aim to make two rolls each. They will be given the opportunity to eat one of the rolls in school so that they can evaluate their work. The second roll will be sent home for you to enjoy and evaluate.

In accordance with our allergy policy, we are providing this information in advance. If your child has an allergy or dietary requirement that may be affected by any of these ingredients, please inform the school before the activity.

Thank you for your continued support with the children's learning. We look forward to helping them develop their understanding of clear, well-organised instructional writing through this engaging activity.

Kind regards,

Charlotte Thornton
